### **Levels:**

**Beginner**- must know how to use their sewing machine, including threading, bobbin winding, stitch & tension adjustment.

**Advanced Beginner**-has completed the beginning and finishing up series of classes. Is proficient in stitch in the ditch machine quilting, and sewing on bindings by hand or machine.

**Intermediate**- has finished at least 3 or 4 quilts, including free motion machine quilting & binding.

**Advanced**- all of the above plus is a seasoned quilter who has mastered quarter inch seams, accurate rotary cutting, curved and y-seam piecing, free-motion machine quilting and is able to understand and follow pattern directions.

- Class fee must be paid at time of registration.
  - Class fees do not include required books/patterns or supplies unless noted in class description.
  - Any supply purchases at GQC will be discounted 20%.
  - Some of our classes have a kit fee required. This is done as a courtesy to the student because the supplies are either/or both too hard to find or too expensive, or you will only use a small amount. It is the intention of the instructor to recoup costs, not make a profit.
  - Please pay all kit and material fees directly to the instructor on the first day of class. Teachers will take checks, I prefer cash.
  - If your class does not have a kit then make sure to ask for a supply list. These will be available in the shop or sent electronically so be sure to provide your email address when signing up.
  - Please arrive 10-15 minutes prior to the start of a class so that you can unload tools and supplies and set up your work space thus allowing the class to begin on time.
  - Please plan accordingly. There are no “make-ups” for missed classes. No refunds will be given.
  - Students enrolled in classes cancelled by the store/instructor due to lack of enrollment, instructor illness or inclement weather will receive a full refund or store credit as desired.
-
