- Class fee must be paid at time of registration.
 - Class fees do not include required books/patterns or supplies unless noted in class description.
 - Any supply purchases at GQC will be discounted 20%.
 - Some of our classes have a kit fee required. This is done as a courtesy to the student because the supplies are either/or both too hard to find or too expensive, or you will only use a small amount. It is the intention of the instructors to recoup costs, not make a profit.
 - Please pay all kit and material fees directly to the instructor on the first day of class. Teachers will take checks, but prefer cash.
 - If your class does not have a kit then make sure to ask for a supply list. These will be available in the shop or sent electronically so be sure to provide your email address when signing up.
 - Please arrive 10-15 minutes prior to the start of a class so that you can unload tools and supplies and set up your work space thus allowing the class to begin on time.
 - Please plan accordingly. There are no "make-ups" for missed classes. No refunds will be given.
 - Students enrolled in classes canceled by the store/instructor due to lack of enrollment, instructor illness or inclement weather will receive a full refund or store credit as desired.
