

Golden Quilt Company Proudly Presents KAFFE FASSETT

The Kaffe Fassett lecture is designed to energize and motivate. The presentation highlights works from his latest projects, including his patchwork quilts, fabric, needlepoint, mosaic, painting and knitting designs. A tremendous amount of Kaffe's inspiration comes from his continual travels and his lecture is designed not so much to instruct but to empower and inspire the audience to create and develop their "mind's eye". Audiences leave invigorated and entranced by Kaffe's sense and use of color; they are ready to try it themselves and are encouraged to do so. The slide show lasts approximately 1 hour followed by a question and answer session and book signing. Lecture to be presented at:
